Starlit Farewell Dinner

---

*\*Times are subject to change*

**EVENTS:** Dress code is casual for all events. For Wednesday night's dinner, we ask that gentlemen wear sports coats.

**BREAKFAST:** Every morning, enjoy breakfast at your leisure at element 47, just off The Little Nell living room.

**CYCLIST SUPPORT:** Riders will be accompanied every step of the way by our pros and team mechanic, plus support vehicles stocked with food, beverages and spare parts. Rest assured, no rider will be left behind. All bikes will be washed, tuned and stored nightly.

**WATER BOTTLES:** Two water bottles will be provided daily to each rider to keep you adequately hydrated. Each morning, one bottle will be prepared with Skratch mix, and the other with water and can be replenished throughout the ride. Please let us know if you have additional requests.

**SPONSORS:** Scott Bikes USA, Giro, Skratch Labs and Hincapie Sportswear are our official sponsors for this event.

**GEAR BAG:** A gear bag has been provided for your convenience, with gifts from our sponsors. Please pack any gear you would like to take with you on your rides and bring it with you to the Front Drive each morning. Gear bags will travel alongside riders in accompanying vehicles and be accessible at any time. An extra layer is recommended for the ride down Independence Pass.

**KITS:** Kits will be provided for each day.

**LAUNDRY:** Laundry is available daily for your riding gear and other items. Please dial Concierge (x6365) to arrange for a laundry pick up.

**BIKES:** For the camp, Scott is providing high-end road bikes, which you're welcome to keep afterward if you'd like. Bikes can be purchased, packaged and shipped directly to you afterward by The Little Nell. If you prefer to ride your own bike, you may bring it with you.

**PHOTOS:** Don't forget to smile as you ride, as our official photographer will be capturing all the action throughout the camp!
