CHEERS TO 30 YEARS! THE LITTLE NELL TURNS 30.

Aspen, Colo. (September 26, 2019) – The Little Nell first opened our doors on Thanksgiving Day of 1989. Three decades later, our guests have become dear friends whom we welcome back each year and our staff have become like family, leading interesting lives not only in Aspen, but all over the world. Since our debut, we've opened more champagne than is imaginable, introduced new restaurants both at the hotel and at the top of Aspen Mountain, renovated multiple times, hosted fabulous dinners and events, and celebrated with thousands of couples for their weddings and receptions. It's time to celebrate! As pearl is the traditional gift given for a 30th anniversary and a versatile symbol of both accessibility and exclusivity, we invite you to join us for this ski season-long **Pearl Anniversary** celebration. Festivities begin this Thanksgiving, on Nov. 28, 2019 and continue through April 2020 with partnerships, promotions, and of course, parties. Please see below for details with more announcements to follow.
