## THE LITTLE NELL TO OPEN CHAIR 9 NOVEMBER 29

*Chair 9 will be an après ski bar, open 2-8 p.m. daily*

**ASPEN, CO (November 21, 2013)** -- The Little Nell has closed the Terrace Bar and is recreating the space as a casual après ski bar called Chair 9, which opens Friday, November 29.

“The name refers to the number of chair lifts on Aspen Mountain, which currently is eight,” said Little Nell General Manager Simon Chen. “The ninth chair is the final resting place for the Aspen skier who is ready to belly up to the bar and enjoy that hard-earned après ski celebration.”

Chair 9 will feature an approachable food menu with most items under \$15, along with freshly-shucked oysters, shrimp, crab legs and lobster. Retro cocktails will dominate the drink menu along with a large selection of wines, sparkling wines and champagne by the glass, starting at \$9.

The bar will be open daily from 2-8 p.m. and will feature live music or DJs from 4-7 p.m., with programming help from Aspen live music mecca The Belly Up (see below for the first week’s line-up). Several large television screens will show all the big games.

“For those wanting a more laid-back vibe, The Living Room still will be the perfect place for a quieter après ski scene at The Little Nell,” Chen said.
