The image shows the exterior of the Aspen Art Museum at night. The building is a large, rectangular structure with a facade composed of a grid of small, square, perforated panels. These panels are illuminated from within, creating a warm, golden glow that contrasts with the dark blue night sky. The text "ASPEN ART MUSEUM" is overlaid in white, sans-serif capital letters in the center of the image. At the bottom center, there is a large, glass-enclosed entrance area where several people are standing, looking at art. The overall atmosphere is modern and sophisticated.
